REPLACEMENT PARAGRAPH(S), SECTION(S) AND CLAIM(S):

In the Specification (bracketed parts deleted and underlined parts added):

Replace the paragraph beginning on page 9, line 16, with:

A land area to be treated is covered by a layer of soil particles that may extend to various depths below the upper surface of the land area. The invention is highly suitable for use on land areas where the soil has been recently moved or positioned, such as, for example, a golf course during or just after the final contour grading preparations, and before any significant turf growth has been
